

UMP PLC

30 July 2009

Quarterly Review

UMP Plc (the "Company" or "UMP") is pleased to announce a review of its activities for the quarter ended 30 June 2009.

The Company had scheduled its film releases for the year to commence in the period from July to September 2009 to follow the IPL cricket and the Twenty 20 World Cup. As such, there were no releases during the quarter. As announced on 11 June 2009, the recent discussions between United Producers and Distributors Forum and the national multiplex cinema chains in India have concluded and the Company expects to release its first movie of the year in August 2009.

OFFER FOR UMP PLC

As announced on 20 July 2009, the Independent UMP Directors have reached agreement on the terms of a recommend proposal for the acquisition of the Company by the board of UTV Software Communications Limited ("UTV"). Full details of this proposal are available in the announcement of 20 July 2009 which is available on the Company's website www.utvmotionpictures.com

UPCOMING RELEASES

Further to the announcement of 17 June 2009, the Company has amended its movie release schedule to 14 movies for the year on account of changes in production schedules.

There are four movies planned for release in the forthcoming quarter, each one in a different genre, and the Directors expect that these movies will perform well at the box office. The Company has an unparalleled release slate of 14 movies to be released during this financial year.

Target markets are global as UTV Motion Pictures distributes its products in 32 different countries.

Ronnie Screwala, Chairman of UMP said, "This quarter we focused our attention on planning the production, marketing and distribution strategies for our forthcoming release slate of 14 movies over the coming three quarters. We are confident that our line-up of movies across genres, stars casts and scale, will provide audiences in India and around the world with year round entertainment options."
